Dear Sir/Madam

TOWN AND COUNTRY PLANNING ACT 1990

LAND AT:

Land North Of, Terminus Drive, Pitsea,
Basildon

PROPOSED DEVELOPMENT:

Change in use of the land to a residential gypsy caravan site consisting of 5 pitches each containing 1 static caravan and 1 touring caravan and associated infrastructure

APPLICATION REFERENCE:

07/00078/REFUSE

APPEAL REFERENCE:

APP/V1505/A/08/2063126/NWF

APPELLANT'S NAME:

Dale Farm Housing Association

I am writing to let you know that an appeal(s) has/have been made to the Secretary of State for Communities and Local Government in respect of the above site.

The appeal follows the refusal of planning permission by the Council, for the following reasons:-

1 The application site is located within an area allocated for employment as shown on the Proposals Map attached to the adopted Basildon District Local Plan. The proposal is contrary to Policy BAS E2 of the Local plan and saved policy BAS E3 of the Redeposit Replacement Local Plan. The proposal would sterilise the land and preclude it from being developed for its designated purpose. The material circumstances advanced do not justify an exception to this policy.

2 The proposal is contrary to Policy S7 of the Basildon District Local Plan and saved policy H5 of the Re-deposit Replacement Basildon Local Plan in that the land is designated for employment purposes in the Local Plan, it does not have convenient or safe access onto the public highway and has more than a minimum impact on the surrounding area, in particular the residential dwellings to the north of the application site.

Basildon District Council
The Basildon Centre, St Martin's Square
Basildon, Essex SS14 1DL
Tel: 01268 533333
www.basildon.gov.uk

3 The application has been submitted prematurely ahead of the Council's preparation of its Gypsy and Traveller Development plan Document, which is not due to be issued until the recommendations emerging from the Single Issue Review of the Regional Spatial Strategy are known.

4 The development, if permitted, would give rise to increased traffic movements along the already heavily trafficked Pitsea Hall lane to the detriment of highway safety. It would furthermore be detrimental to the safety of pedestrians using footpath 136 over which vehicles would need to pass to gain access. It is also contrary to policies T1 and T2 of the Essex and Southend-On-Sea Structure in that the site has limited access and is not sustainable.

5 Temporary planning permission could not be granted, as the planning circumstances are unlikely to change at the end of any temporary period. Furthermore the imposition of conditions requiring the carrying out of investigative works prior to the occupation of the land, would preclude the grant of temporary permission in this instance.

An Inspector appointed by the Secretary of State will visit the District and hold an Hearing for the purpose of hearing representations regarding the matters under appeal and will inspect the site. I will provide details of the Hearing once it has been arranged.

Any person may attend the Hearing and, at the Inspector's discretion, give their views, or appoint someone to speak on their behalf, or make written representations, three copies of which should be sent direct to the Planning Inspectorate, 3/16, Eagle Temple Quay House, 2 The Square, Temple Quay, Bristol BS1 6PN, by **25 February 2008**, quoting the appeal reference number(s). Should you wish to withdraw or modify comments you may have made earlier in any way, or request a copy of the appeal decision letter, you should also write to this address. I must point out that any correspondence may be read out at the Hearing.

The Council's Statement of Submissions, together with the plans and documents to be produced at the Hearing, may be inspected at the offices of the Council's Planning Services, The Basildon Centre, St Martin's Square, Basildon, during normal office hours, Monday to Friday after **25 February 2008**. When a decision is made on this/these appeal(s) you will be notified.

It is open to the Secretary of State to grant planning permission for the matters the subject of this/these appeal(s).

Any views you express must be made available to the appellant and the Council, and if you submit representations it will be assumed that you have given permission for this to be done.

The Planning Inspectorate has produced a leaflet "A Guide to Taking Part in Planning Appeals" to provide information on the planning appeals system, a copy of which is available on request, from the Council. Information on The Planning Inspectorate and appeals process can also be obtained from the Inspectorate's web site at www.planning-inspectorate.gov.uk.

If you have any questions regarding the detail of the proposal, please contact Neil Costen, Planning Services on 01268 294153.

Yours faithfully
